

## Colorado Children's Immunization Coalition

**Shannon Rowe, MPH**

**Communicable Disease Program Manager, El Paso County Public Health**

Shannon Rowe received her Master in Public Health degree with a concentration in Epidemiology from The Ohio State University in 2002. Over the last 13 years Shannon has been in communicable disease control at the local and state level.

She has worked at El Paso County Public Health since 2007 as the Communicable Disease and Tuberculosis Program Manager, prior to that she was an epidemiologist in the Vaccine Preventable Disease Program at the Ohio Department of Health. Outside of work, Shannon enjoys spending time with her family.
